

Strumenti e strategie per una DaD dedicata ai più piccoli

Chiara Beltramini e Mauro Sabella

DAD

- ◉ Organizzare e strutturare lezioni complete che i nostri alunni possono svolgere da casa e che noi possiamo seguire, inviando rimandi, suggerimenti, integrazioni.
- ◉ Far sentire ai nostri alunni la nostra presenza e vicinanza
- ◉ Accompagnare i nostri alunni in questo percorso
- ◉ Guidare e supportare anche le famiglie

Criticità

- ◉ Repository
- ◉ Mancanza di autonomia
- ◉ Multidevice
- ◉ Tempi
- ◉ Qualità delle risorse

LinolT

Collaborative efforts to solve a problem

Student centered

curiosities are provoked

Interdisciplinary work, writing across the curriculum

Projects for students do that broadens technology and traditional learning based curriculum.

Inquiry based learning where students collaborate to complete a project that is designed to help them learn and apply concepts. One of the key ideas is students take ownership for learning and maybe even self assessment. Hope

Limit one s

Individual work

Irrelevant

Teacher directed

Not in the desk

Worksheets

21st century learning is creative collaborative problem solving communicating student driven dynamic and provides a framework for lifelong learning

as a purpose and learning for the learner with a solution that requires collaboration, communication, critical

Critical thinking is required, no limits to learning styles

and paper lessons instruction.

Collaborative, innovative, engaging.

Student driven

Involving critical thinking and communication

PBL/21st Cent. Learning

Technology driven

Highlight New

Just Memorizing facts

Always technology based

Boring and quiet.

Quiet

Isolated

critical thinking skills to use applications and express themselves

Teacher centered

Working alone.

Read the book, and do these problems.

Not typing lessons, or typing reports.

Boring

What is PBL? What is 21st century learning? What is PBL? not? What is 21st century learning not?
